## ENGLISH PETITE OAK HALL BENCH WITH TURNED LEGS AND CURLY ARM SUPPORTS CIRCA 1900

**\$3,300**

An English oak hall bench with turned legs and curled arm supports from the turn of the century. This English oak hall bench features a rectangular single plank wooden seat with beautiful grain, adorned with two exquisite curled arm supports. The simple skirt is raised on four elegant turned legs with tall cylindrical feet. This bench exudes the perfect balance between clean, simple lines and curvy accents. Its small proportions and elegant silhouette, combined with a wonderful patina would make this English 1900s oak hall bench a great accent anywhere in a home.
