FRENCH LOUIS XV STYLE WALNUT SIDE TABLE WITH MARBLE TOP AND CABRIOLE LEGS, 1870S

\$2,350

A French Louis XV style walnut side table with variegated grey marble top and cabriole legs from the second half of the 19th century. This French side table features a serpentine marble top, sitting above an exquisite scalloped apron, carved with delicate scroll motifs on three sides. This table is raised on four slender cabriole legs, adorned with carved rosettes on the front knees and resting on hoofed feet. The definite elegance of the sinuous Louis XV lines, combined with the richness of the marble top and wood patina, will make this French side table circa 1870 a lovely addition to any home, placed anywhere, perhaps in a living room or bedroom.
