## **PAIR OF FRENCH VINTAGE WICKER CLUB CHAIRS WITH CAMEL BACK AND TALL ARMS**

**\$2,500**

A pair of French vintage wicker and wood club chairs from the mid-20th century. Featuring a wicker body with wooden arm supports, each chair is adorned with a straight camel back. The tall straight arms provide a greater sense of privacy and the clean lines, along with the textured simplicity of the wicker material makes this pair of French club chairs circa 1950 a perfect choice for any home, particularly a beach house or mountain cabin, bringing a relaxed touch to any room.
