1960S FRENCH VINTAGE THREE-LAYERED SUNBURST MIRROR WITH CONVEX MIRROR PLATE

\$2,450

A vintage French 1960s giltwood three-layered sunburst mirror with convex mirror plate. This French sunburst mirror features a central convex mirror plate offering a lovely distortion of images. This mirror is directly surrounded by carved leaves evoking a graceful sunflower, beautifully leading the eye to the two additional layers of sunrays of varying sizes. The first one is made of straight rays while the back ones alternate straight ones with undulating ones. This evokes perfectly the vibrancy of a radiating sun. With its golden finish and elegant silhouette, this French midcentury sunburst mirror will brighten up any wall, from a bedroom to a living room.
