AUSTRIAN BIEDERMEIER PERIOD 1840S WALNUT VENEERED COMMODORE WITH THREE DRAWERS

\$10,800

An Austrian Biedermeier period walnut veneered commode from the Mid-19th Century, with three drawers, butterfly veneer, ornate brass hardware and front block feet. Created in Austria during the second quarter of the 19th century, this walnut veneered commode features a rectangular top with beveled edges, sitting above an elegant façade. Three drawers, adorned with butterfly veneer, are fitted with ornate hardware made of ring pulls on circular floral-themed backplates, flanking a central escutcheon. The drawers' dovetail construction reveals the piece's age. The sides are plain and the back is, of course, unfinished. The ensemble is raised on four block feet resting on an elegant plinth in the front. With its clean lines and butterfly veneer, this Austrian Biedermeier period walnut commode circa 1840 will bring an understated touch of elegance to any home, perhaps placed in a bedroom, living room or hallway, anchored by a table lamp, a vase or a candlestick.
