**\$18,000**

A Belgian oil on canvas painting from the early 20th century depicting a herd of deer running in the forest. Created in Belgium during the first half of the 20th century, this oil on canvas painting depicts a herd of deer exiting a forest. Consisting of two stags and two does, the group is depicted in the foreground while the scene opens up to a large sky in the background. Our eye is immediately drawn to the central stag who is jumping a little stream, his head lifted upwards and his antlers standing out beautifully on a line of trees in the background. Set inside a giltwood frame, the painting is signed lower left. With its elegant subject and skillful depiction, this Belgian oil on canvas deer painting circa 1900-1940 will make for a great decorative addition to any home, particularly placed in a mountain cabin or country home!
