CARVED ANGLO-INDIAN 1880S GUÉRIDON TABLE WITH FOLIAGE AND MYTHICAL FIGURES

\$2,200

An Anglo-Indian richly carved wooden guéridon table from the late 19th century, with pedestal base. Born during the last quarter of the 19th century, this exquisite guéridon table features a circular top carved with delicate foliage, architectures and geometric motifs. This lovely top is raised on a pedestal base carved with luscious foliage, while the ensemble is resting on three scrolling legs, adorned with mythical figures on the extremities. With its dark patina and skillfully executed décor, this Anglo-Indian guéridon table circa 1880 will bring a touch of refinement to any home, perhaps placed in a bedroom, living room or hallway.
