

DUTCH 18TH CENTURY DARK BROWN CARVED WOODEN MIRROR WITH PROTRUDING CORNERS

\$20,400

A large Dutch dark brown/black wall mirror from the 18th century with carved frame, protruding corners and geometric décor. Elevate your space with the timeless elegance of this large Dutch dark brown/black wall mirror from the 18th century. Crafted with exceptional artistry, this mirror boasts a carved frame that adds depth and dimension to its design. The linear silhouette of this mirror exudes a handsome presence, commanding attention in any room. The dark finish enhances its sophisticated appeal, while the protruding corners and geometric décor lend a touch of architectural charm. The frame is meticulously carved with alternating patterns, including wavy motifs, adding intricate detailing and visual interest. The craftsmanship and attention to detail are evident in every aspect of this piece, showcasing the skill and artistry of the 18th-century Dutch craftsmen. At the center of the frame, a rectangular mirror plate reflects light and creates a sense of spaciousness. The mirror plate exhibits traces of aging, which only enhance its authenticity and character, telling a story of its rich history.

Hang this Dutch wall mirror in your living room, hallway, or dining area to create a focal point and elevate the overall aesthetic of your space. Its generous size makes it a statement piece that commands attention and adds a touch of old-world charm. Embrace the allure of this Dutch dark brown/black wall mirror, appreciating its timeless beauty and the craftsmanship of the 18th century. Let its carved frame and exquisite detailing bring a sense of sophistication and refinement to your home.
