## ENGLISH 1830S REGENCY MAHOGANY BUCKET WITH BRASS LINER, HANDLE AND BRACES

**\$3,975**

An English Regency mahogany bucket from the early 19th century, with brass accents and handle. Born in England during the second quarter of the 19th century, this elegant mahogany bucket features a removable brass liner. Topped with a large handle allowing the piece to be moved easily, the mahogany body is accented with horizontal brass braces whose golden color contrasts beautifully with the wooden patina, making this English 1830s Regency bucket a great choice to decorate any home.
