## ENGLISH 1860S PAINTED WOOD FIVE-DRAWER CHEST WITH TURNIP FEET AND WOODEN PULLS

**\$3,995**

An English painted wood chest from the mid-19th century, with five graduating drawers, turnip feet and distressed finish. Born in England during the third quarter of the 19th century, this painted chest features a rectangular top sitting above five graduated drawers (two small ones over three larger ones), each fitted with wooden pulls. Boasting a charming weathered appearance, this English chest is raised on four turnip feet. With its clean lines and soft painted finish, this English chest-of-drawers circa 1860 will bring a touch of relaxed elegance to any home, particularly placed in a beach house.
