ENGLISH 1880S FOUR-DRAWER GOLDENROD CHEST WITH GREEN PAINTED CARTOUCHE MOTIFS

\$5,995

An English painted wood four-drawer chest from the late 19th century, with curvy cartouche motifs and turned feet. Born in England during the last quarter of the 19th century, this chest-of-drawers charms us with its clean lines and painted finish. Featuring a rectangular top sitting above four drawers (two small ones over two larger ones), the chest is painted in a textured goldenrod color beautifully accented with green painted cartouche motifs. Raised on four turned feet, this English painted chest circa 1880 will bring a relaxed touch of elegance to any bedroom or living room.
