

## ENGLISH 1920 BRONZE SUN ORNAMENT WITH ANTHROPOMORPHIC FEATURES AND DARK PATINA

**\$3,750**

An English bronze sun wall ornament from circa 1920 with anthropomorphic features and dark patina. This captivating English bronze sun wall ornament from circa 1920 is an enchanting decorative element that brings a touch of historical charm to any home. The piece features a classical depiction of the sun with a human face, detailed with joyful facial features that lend a mystical air to its appearance. The dark patina, highlighted with verdigris accents, enhances the texture and depth of the ornament, giving it a rich, aged look that is both striking and elegant. With its artistic design and intriguing finish, this bronze sun ornament is ideal for adding a focal point to any room. It can be hung on a garden wall to create a whimsical outdoor space, or inside the home, such as in a sunroom, living area, or hallway, where its historical significance and beauty can be appreciated daily. The verdigris and bronze tones make it versatile enough to complement both contemporary and traditional decor, providing a unique and timeless piece that attracts attention and conversation. Perfect for those who appreciate vintage decor or wish to incorporate an element with celestial symbolism, this wall ornament offers both aesthetic pleasure and a nod to the past, making it a cherished addition to any collection.
