ENGLISH 19TH CENTURY MAHOGANY DEMILUNE TABLE WITH CARVED APRON AND STRAIGHT LEGS

\$4,500

An English mahogany demi-lune side table from the 19th century, with semi-circular top, carved apron and straight legs. Created in England during the 19th century, this mahogany demi-lune side table features a semi-circular veneered top sitting above a carved apron. The table is raised on three straight legs whose linear presence compliments the apron's sinuous lines beautifully. Boasting a nice patina, the table is unfinished in the back in a typical manner, therefore it will look at its best placed against a wall. With its elegant lines and mahogany patina, this English demi-lune side table from the 19th century will make for a great addition to any décor, perhaps displayed in a living room, foyer or hallway.
