## ENGLISH 19TH OAK WALL PLATE RACK WITH CARVED CORNICE AND THREE OPEN SHELVES

**\$2,850**

This English oak wall plate rack from the 19th century, features a carved cornice, three open shelves, and petite side supports. The plate rack, crafted from oak, showcases the natural beauty and warm hues of the wood. The carved cornice adorning the top of the rack adds a touch of sophistication and grace, elevating the design and providing a delightful visual contrast to the simplicity of the open shelves. The three open shelves offer ample space for displaying plates, collectibles, or decorative items, while the petite side supports ensure the rack's stability and structural integrity. The open design of the shelves creates a sense of airiness, making the rack a versatile and functional piece that can enhance any space without overwhelming it. With its charming appearance, carved cornice and open shelves, this English oak wall plate rack from the 19th century will make for a great addition to any home, infusing any space with character and charm, placed in a kitchen or dining room.
