ENGLISH EARLY 19TH CENTURY OAK GEOMETRIC FRONT FOUR-DRAWER CHEST ON BRACKET FEET

\$6,750

This English early 19th century geometric front oak chest features a rectangular top with rounded edges over four dovetailed drawers, grooved on the side for the runner. The geometric drawers discreetly alternate to provide a nice rhythm: a smaller drawer comes first, adorned with a more simple geometrical décor, followed by a larger one with more intricate motifs. The chest is raised on four bracket feet. Placed anywhere in your home, this English oak chest, circa 1800 will noticeably bring its linear elegance to bear.
