ENGLISH PETITE EARLY 19TH CENTURY GILTWOOD CONVEX MIRROR WITH FOLIAGE MOTIFS

\$3,450

This small sized English mirror from the early 19th century features a circular giltwood frame surrounding a convex mirror. The motif on the frame features alternating floral patterns. Inside the giltwood frame of this circa 1830 mirror sits an ebonized stepped molding that actually secures the mirror to the frame. This English convex mirror would look wonderful in a hallway or on a wall in a stairwell or perhaps over a side table in a foyer.
