ENGLISH LATE 19TH CENTURY OAK WINE COOLER WITH BRASS ACCENTS AND LION HANDLES

\$2,450

An English round oak wine cooler from the late 19th century with brass accents and lion handles. This lovely English wine cooler features a circular oak structure, strengthened on the outside by three brass horizontal braces. The cooler showcases two lateral handles, each adorned with a lion head holding a ring in its mouth. With its nice proportions and perfect contrast of colors between the dark hue of the oak and the golden hue of the brass, this English wine cooler, circa 1880 will be a lovely addition to any home.
