## ENGLISH MIDCENTURY BAMBOO AND WOOD WALL MIRROR WITH ALTERNATING DESIGN

**\$2,750**

A vintage English rectangular bamboo and wood mirror from the mid 20th century, with alternating design and distressed appearance. Created in England during the Midcentury period, this rectangular mirror captures our attention with its rustic appeal and unpretentious lines. The frame showcases bamboo strips with elegant décor alternating with wooden ones, the ensemble surrounding a clear mirror. The back, which shows signs of aging, presents a wire that will allow the mirror to be hung vertically. With its clean lines and exotic materials, this English bamboo and wood wall mirror from the Midcentury period will bring a touch of authenticity to any home, perhaps hung above a side table or commode, particularly placed in a mountain cabin or country home.
