ENGLISH MIDCENTURY PAINTED FAUX BAMBOO BENCH WITH UPHOLSTERY, PAIR AVAILABLE

\$4,200

An English vintage painted faux bamboo bench from the mid 20th century, with newly reupholstered seat. We have two available that would make for a great pair, but they are priced and sold individually. Born in England during the midcentury period, each of these two benches features a rectangular seat upholstered with a linen fabric accented with a brass nailhead trim. The painted faux bamboo base is accented with delicate curving spandrels that add style to the ensemble. With their clean lines and soft color, these English midcentury faux bamboo benches will bring a touch of calm elegance to any bedroom, living room or hallway. Each bench is priced \$4,200.
