\$3,750

An English Victorian period brown leather trunk from the 19th century with brass accents and lateral handles. This 19th-century English Victorian brown leather trunk embodies the elegance and robustness of its era, adorned with brass accents that highlight its rich, deep leather. The trunk's surface, textured with the patina of age, is complemented by durable lateral handles, suggesting its readiness for both display and utility. The interior, lined with striped fabric, adds an unexpected touch of whimsy, contrasting beautifully with the exterior's staid sophistication.
