## ENGLISH VICTORIAN PERIOD 19TH CENTURY IRON DACHSHUND DOG BOOT SCRAPER

**\$750**

An English Victorian period iron boot scraper from the 19th century depicting a Dachshund dog. This English Victorian iron boot scraper from the 19th century is not just a functional piece but a charming work of art that adds character to any home. Crafted in the likeness of a Dachshund dog, it exudes a whimsical and playful spirit. The black patina gives the piece a classic and timeless appearance, while discrete red accents highlight the dog's endearing features. His open mouth, expressive eyes, and tongue are skillfully rendered, adding a touch of realism to this delightful creation. As a boot scraper, this piece serves a practical purpose by helping to keep your home clean. Placed at the entrance, it allows you to easily remove dirt, mud, and debris from your shoes before entering. Its unique design, featuring the Dachshund, transforms a mundane task into a delightful ritual. Beyond its utility, this boot scraper is a decorative statement. It can be proudly displayed at your doorstep, porch, or garden area, welcoming guests with its quirky charm. Its Victorian-era origins add a sense of history and nostalgia to your home's exterior. For dog lovers and collectors of unique curiosities, this boot scraper is a must-have. It's a conversation starter and a piece of functional art that brings joy to daily routines.
