## FRENCH 1820S RESTAURATION PERIOD WALNUT THREE-DRAWER COMMODE WITH CARVED FOLIAGE

**\$10,800**

A French Restoration period walnut commode from the early 19th century, with three drawers, carved foliage and fluted accents. Born in France during the early years of the 19th century, this exquisite commode features a rectangular planked top sitting above a façade presenting three lovely dovetailed drawers. Each drawer is adorned with petite cartouches surrounding an hexagonal hardware, while the center is marked by the delicate presence of a circular raised medallion framed by foliage and a ribbon. Accented with fluted side posts leading our eyes to the short tapered feet, this French Restoration walnut commode circa 1820 will bring a touch of elegance to any bedroom, living room or foyer.
