

FRENCH 19TH CENTURY WALNUT AND MARBLE SIDE TABLE WITH ROUND TOP AND BRASS ACCENTS

\$3,200

A French walnut side table from the 19th century with circular black marble top, column shaped pedestal and in-curving base with brass ring. Elevate your living space with a touch of French finesse by incorporating this 19th-century French walnut side table. Crafted from rich walnut wood, this piece showcases an amalgamation of architectural precision and refined elegance. Atop the table, you'll be mesmerized by a black marble surface. The circular top effortlessly complements the column-shaped pedestal below, adding a layer of sophistication with its dark, polished texture. The pedestal itself evokes the grace of classical architecture and stands tall with a column-like design. The walnut's deep, warm hues provide the perfect counterpoint to the dark marble, its wood grain patterns adding a touch of organic charm. Further enhancing the table's allure is the in-curving base, where sculptural artistry and stability coalesce. A brass ring encircles the bottom, lending an opulent touch to the ensemble. Whether nestled beside an elegant sofa or positioned as a standalone accent piece, this French walnut side table is an ambassador of timeless grace. Its presence will undoubtedly infuse your interiors with a blend of classical sophistication and unmatched craftsmanship.
