FRENCH 19TH CENTURY WALNUT CONSOLE TABLE WITH TRESTLE BASE AND IRON STRETCHERS

\$10,800

A French walnut console table from the 19th century, with trestle base and iron stretchers. Created in France during the 19th century, this walnut table features a rectangular top sitting above a trestle base made of splaying legs with low stretchers, connected to the top's underside with additional stretchers, made of iron this time. With its clean lines and brown patina, this French walnut console table from the 19th century will make for a great addition to any living room or foyer, where its unpretentious appearance will bring an undeniable touch of authenticity to the general décor.
