FRENCH DIRECTOIRE STYLE 1880S GUÉRIDON TABLE OF EBONIZED WOOD WITH SWAN MOTIFS

\$4,250

A French ebonized wood Directoire style guéridon side table with grey marble top and swan motifs from the late 19th century. This French table features a round variegated grey marble top sitting above a simple apron. The table is supported by three elegant legs, adorned with graceful swan heads. The ensemble is resting on a nicely curved base. The delicate silhouette, perfectly complimented by the dark hue of the ebonized wood and grey veined marble top, makes this French 1880s Directoire style guéridon table an excellent choice for any living room, bedroom or hallway.
