FRENCH LOUIS XV STYLE 1800S WALNUT SIDE TABLE WITH SCALLOPED APRON AND DRAWER

\$3,950

A French Louis XV style walnut side table from the early 19th century, with single drawer and scalloped apron. Born during the first French Empire, this delicate walnut table features a rectangular planked top with beveled edges and serpentine front, sitting above a single dovetailed drawer with wooden knob. The apron, scalloped on all sides, connects the four cabriole legs on which the table is raised to one another. The sinuous lines of the table are outlined with a discreet incision that leads the eye from the apron to the hoofed feet. With its lovely Louis XV style lines and charming patina, this walnut side table circa 1800-1820 will bring a touch of French elegance to any home, whether placed in a bedroom, living room or hallway.
