FRENCH MIDCENTURY CARVED GILTWOOD SUNBURST MIRROR WITH CLOUDY FRAME

\$2,650

A vintage French carved giltwood sunburst mirror from the mid 20th century, with cloudy motifs and rays of varying sizes. Born during the mid-century period, this French sunburst mirror features a circular flat mirror plate, surrounded by an exquisite layer of curly clouds separating wavy and straight rays from one another. This subtle contrast in the lines creates a lively effect for the ensemble. With its graceful silhouette and lovely giltwood finish, this French sunburst mirror will be a great focal point in any home, whether placed above a chest-of-drawers, demilune or side table.
