## **FRENCH MIDCENTURY STEEL SETTEE WITH HORSE HEADS, HOOF FEET AND NEW UPHOLSTERY**

**\$8,995**

A French vintage steel settee from the mid 20th century, with horse heads, hoof feet and new upholstery. Created in France during the midcentury period, this steel settee captures our attention with its four dignified horse heads accentuating the arm supports, connected to an arching back. Newly reupholstered with a neutral toned linen fabric, the settee is raised on slender legs with horse feet, connected to one another through a curving cross stretcher. With its elegant lines and noble décor, this midcentury French steel settee will be a great addition to any living room or bedroom.
