FRENCH RUSTIC 1880S BLEACHED PINE THREE-DRAWER COMMODO WITH CARVED SPANDRELS

\$3,995

A French bleached pine three-drawer commode from the late 19th century, with carved spandrels. Created in France during the 19th century, this newly bleached chest features a rectangular planked top sitting above three drawers fitted with brass hardware. The grand simplicity of the lines is beautifully contrasted by the presence of the scrolling spandrels adorning the lower section, while the ensemble is resting on straight legs. With its clean lines and rustic finish, this French bleached pine chest circa 1880 will bring a touch of authenticity to any home, particularly placed in a beach house, country home or mountain cabin.
