FRENCH WALNUT GUÉRIDON SIDE TABLE WITH CIRCULAR TOP AND TRIPOD BASE, CIRCA 1875

\$3,975

A French walnut guéridon side table from the late 19th century, with circular top and tripod base. Born in France a few years after the collapse of the Second Empire, this exquisite walnut guéridon features a round planked top, resting on an hexagonal base, accented with a narrow shelf. The ensemble is raised on a tripod base with scrolling feet. With its small dimensions and lovely patina, this French side table circa 1875 will bring an elegant presence to any home, perhaps placed in a living room, hallway or bedroom.
