An Italian Baroque style walnut desk / table from the early 19th century, with drawers, lyre shaped base and wrought-iron stretcher. Created in Italy during the early years of the 19th century, this walnut / table features a rectangular top showcasing a raised shelf with four petite drawers. The apron conceals two additional drawers while the ensemble is resting on two lyre-shaped legs connected to the table's underside thanks to a wrought-iron stretcher with scrolling patterns.
