ITALIAN MIDCENTURY GILTWOOD BARLEY TWIST WIRED TABLE LAMPS ON LUCITE, A PAIR

\$3,750

A pair of Italian Midcentury giltwood barley twist table lamps on custom lucite bases. Introduce a touch of Italian elegance to your home with this exquisite pair of Midcentury giltwood barley twist table lamps, a testament to the sophisticated design and craftsmanship of the era. These lamps, with their luxurious giltwood construction and intricate barley twist design, radiate an aura of classic charm and refined grace. Resting on custom lucite bases, these lamps are not only sturdy but also exude a modern flair, creating a perfect balance between traditional and contemporary aesthetics. The flat-backed design of the lamps makes them ideally suited for placement against a wall, allowing them to seamlessly integrate into your living space and enhance the ambiance with their warm, inviting glow. Professionally rewired for the USA, these lamps are not just decorative objects but fully functional pieces, ready to illuminate your home with a soft, diffused light. Place them on a console table in your entryway to welcome guests with a hint of Italian mid-century sophistication, or on bedside tables to add a touch of luxury and elegance to your bedroom decor. This pair of Italian giltwood barley twist table lamps is more than just a source of light; they are a statement of style, blending the rich heritage of Italian design with the practical needs of contemporary living. Their timeless beauty and craftsmanship make them a cherished addition to any interior.
