

## LARGE FRENCH CONTEMPORARY GILTWOOD CONVEX SUNBURST MIRROR WITH RADIATING RAYS

**\$5,995**

A large contemporary French giltwood convex sunburst mirror from the 21st century with rays of slightly varying sizes and molded inner frame. Created in France during the 21st century, this large sunburst mirror features a convex mirror plate beautifully distorting the images it reflects. This mirror is surrounded by a single yet elegant inner frame made of divided panels flanked with molded accents. This circular frame secures the radiating rays of varying sizes that complete the ensemble. The result is striking with its lively depiction of a sun that will warm up any room it is placed in. With its nice proportions and elegant décor, this French giltwood convex sunburst mirror from the 21st century will make for a great focal point in any room, perhaps hung above a chest-of-drawers, credenza or console table.
