## LARGE VINTAGE FRENCH MIDCENTURY SUNBURST WITH SMALL CONVEX MIRROR PLATE

**\$6,750**

A large vintage French sunburst mirror from the mid-20th century, with convex mirror and radiating rays. Born in France during the midcentury period, this elegant sunburst mirror features a small convex mirror plate, surrounded by a simple molded frame with red undertone. Our eye however, is immediately drawn to the warmth of the outer frame, made of a succession of rays of increasing sizes. With its nice proportions and striking appearance, this large French vintage sunburst mirror circa 1850 will enliven any wall beautifully.
