MIDCENTURY AMERICAN FRAMED WATERCOLOR DEPICTING A HUNTER AND HIS DOG AT SUNRISE

\$1,700

An American framed watercolor from the mid 20th century depicting a hunting scene. Made in the USA during the Midcentury period, this watercolor features a scene depicted at sunrise. A pipe-smoking hunter, holding a rifle in his right arm and wearing tall boots, is looking ahead towards the rising sun while his dog is obediently standing in front of him, perfectly focused on him, waiting for his orders. In the background, a fisherman standing on his dinghy is getting his line ready. Set inside a simple wooden frame, this Midcentury American watercolor will bring a touch of subtle elegance to any home, perhaps hung above a side table, demilune or commode.
