

NIERMANN WEEKS IRON EIGHT-LIGHT ARMILLARY CHANDELIER WITH GILT RING

\$6,400

A Niermann Weeks iron eight-light armillary chandelier. Illuminate your space with the striking allure of this eight-light armillary chandelier, a distinct emblem of design ingenuity and artisanal skill from the 20th century. Crafted with dark-colored iron, this chandelier mimics the unique armillary sphere structure, symbolizing the celestial circles of the universe and lending a touch of cosmic elegance to your decor. A golden-toned horizontal ring accentuates the sphere's form, adding a splash of opulence against the rich, dark iron. This ring delicately supports the eight lights, fashioned with thin straight supports and crowned with gilded bobèches. The golden accents complement the dark iron, creating a stunning visual contrast that exudes a timeless charm. Professionally rewired for the USA, this chandelier not only serves as an intriguing piece of decor but also ensures optimal lighting performance. With its distinctive armillary design and charming interplay of dark iron and gold tones, this chandelier is an embodiment of French aesthetic sophistication. Experience the radiant brilliance of this iron eight-light armillary chandelier, an exemplary fusion of artistry and functionality, sure to elevate the aura of any room with its splendid celestial design.
