

MIDCENTURY FRENCH STAR LIGHT FIXTURE WITH TEXTURED GLASS AND SINGLE SOCKET

\$1,800

A French Midcentury star light fixture with textured glass panels surrounding a central socket. Dive into the celestial allure of this French Midcentury star light fixture, a captivating addition to any interior space that yearns for a touch of vintage glamour. The light fixture boasts textured glass panels meticulously arranged to form a star, encapsulating a central socket that promises to illuminate your space with a warm and inviting glow. Each glass panel is a testament to the intricate craftsmanship of the era, with a subtle texture that enhances the overall aesthetic of the piece. The fixture has been professionally rewired for the USA, ensuring it is ready to bring its unique charm and functionality to your home. This light fixture is not just a source of illumination; it is a piece of art that captures the spirit of the Midcentury period. It would make a stunning focal point in an entryway, setting a tone of elegance and sophistication for guests as they enter your home. For those looking to infuse their interior decor with a piece that exudes vintage charm and character, this French Midcentury star light fixture is the perfect choice.
