## PAIR OF ENGLISH MIDCENTURY THREE-LIGHT NICKEL FINISH HALL LANTERNS WITH GLASS

**\$4,350**

A pair of vintage English metal lanterns from the mid 20th century, with nickel finish, three lights and glass body. Created in England during the third quarter of the 20th century, this pair of hall lanterns attracts our attention with their lovely nickel finish and graceful lines. Each lantern features a circular body made of glass and securing a central shaft connected to three scrolling arms. These arms support the light colored candle sleeves. The upper section is adorned with scrolling motifs topped with a finial, and a hook connected to the chain. The lanterns' height is 19.25 inches without the chains. The lower section is sans glass and accented with petite inverted finials. The lanterns have been newly and professionally rewired for the USA and are ready to be hung. With their elegant lines and shiny nickel finish, this pair of English hall lanterns from the Midcentury period will bring a stylish presence to any home!

Height: 19.25 in (48.9 cm)

Diameter: 7.5 in (44.45 cm)
