PAIR OF ENGLISH RUSTIC ANTLER THREE-ARM CANDELABRA FROM THE 1940S

\$2,850

A pair of vintage English three-arm candelabras from the mid-20th century made of antlers. Born in England during the first half of the 20th century, each of this pair of candelabras captures our attention with its rustic appearance, made of antlers assembled with one another. Highly decorative, these 1940s candelabras will look wonderful placed above a buffet, chest-of-drawers or console table, perhaps in a living room, foyer or bedroom and particularly in a mountain cabin or country home.
