PAIR OF FRENCH ART DECO PERIOD 1930S WALNUT HORSESHOE BACK UPHOLSTERED ARMCHAIRS

\$5,995

A pair of French Art Deco period walnut armchairs from the early 20th century, with horseshoe back, saber legs and linen upholstery. Created in France during the Art Deco period in the second quarter of the 20th century, each of this pair of walnut armchairs features a horseshoe back adorned with delicately out-scrolling extremities on the arms. The chairs have been newly and professionally reupholstered with a double welt linen fabric whose neutral tones compliment the walnut patina beautifully. The chairs are raised on straight legs in the front and saber ones in the back. With their clean lines and nice patina, this pair of French Art Deco period walnut armchairs circa 1930 will bring a stylish presence to any home, placed in a living room, bedroom or study.
