PAIR OF ASIAN WHITE PORCELAIN TABLE LAMPS ON CUSTOM LUCITE BASES

\$2,250

A pair of Asian white porcelain table lamps with textured effects, custom made circular lucite bases and professional rewiring for the US. Created in Asia, Each of this pair of table lamps features a white porcelain vase with narrow neck and generous belly, adorned with textured effects. The lamps are topped with brass single sockets and have been mounted on round-shaped lucite bases whose translucent quality compliments the vases' white color beautifully. They have been newly and professionally rewired for the US market and are ready to be plugged. The wire comes out of the bases' backs.
