

## PAIR OF ASIAN PORCELAIN VASES MADE INTO MODERN TABLE LAMPS, US WIRED

**\$2,700**

A pair of Asian white porcelain vases with blue lines, newly mounted as table lamps with single sockets and wired for the USA. Created in Asia, each of this pair of porcelain vases features a generous S-curving silhouette perfectly accented by a discreet décor made of blue striated lines. The vases were recently made into table lamps topped with a single brass socket and professionally wired for the US. They are ready to be plugged. The lamps have also been mounted on circular giltwood bases whose golden tones respond to the brass tops beautifully. With its graceful lines and complimenting colors, this pair of Asian porcelain vases made into modern lamps, will bring a touch of peaceful elegance to any home décor, perhaps displayed atop a pair of demi-lune tables, a credenza or a commode.
