## **PETITE 1900S RUSTIC ENGLISH EDWARDIAN WOODEN BARREL WITH GREEN AND RED ACCENTS**

**\$675**

An English Edwardian period small wooden barrel from the early 20th century, with green painted accents and United Kingdom coat of arms. Born in England during the early years of the 20th century, this charming rustic wooden barrel features a succession of vertical slats, secured behind green and red braces. Adorned with a nicely worn United Kingdom coat of arms on the belly, this 1900s barrel charms us with its weathered patina, colorful accents and small proportions, making it a great decorative choice for any home, particularly placed in an entrance or patio.
