PETITE ITALIAN NEOCLASSICAL PERIOD WALNUT COMMUNE CIRCA 1800 WITH INLAID DÉCOR

\$6,795

A petite Italian neoclassical period walnut commode from the early 19th century, with inlaid motifs and two drawers. Born in Italy during the early years of the 19th century, this exquisite Italian commode features a rectangular top adorned with an inlaid diamond motif, sitting above two drawers presenting a two-toned finish and classical brass hardware. The inlaid side posts lead our eye to the elegant tapered legs on which the commode is resting, while the side panels echo the décor seen on the top. With its clean lines and lovely finish, this Italian neoclassical commode circa 1800 will be a great decorative addition to any living room, bedroom or hallway.
