SET OF SIX ITALIAN MIDCENTURY BLEACHED WALNUT DINING ROOM CHAIRS WITH SCROLLS

\$16,200

A set of six vintage carved Italian bleached walnut dining room side chairs from the mid-20th century, with scrolling backs and new upholstery. Born in Italy during the midcentury period, each of this set of six side chairs features a captivating back topped with a out-ward scroll and flanked with two large volutes surrounding a swag, carved in low-relief on the splat. The seat has been newly reupholstered with a simple linen fabric whose neutral tones allow the structure to stand out beautifully. Resting on four legs, the front ones being cabrioles and the hind one saber, each chair boasts a lovely bleached walnut finish. With their graceful lines and natural quality, this set of six Italian midcentury side chairs will bring an undeniable touch of elegance to any dining room.
