SLENDER FRENCH EARLY 20TH CENTURY FAUX-BAMBOO MIRROR WITH BROWN PATINA

\$2,850

A slender French faux-bamboo mirror from the early 20th century, with simple lines and brown patina. Created in France during the Roaring Twenties in the first quarter of the 20th century, this slender mirror features a linear silhouette perfectly complimented by a faux bamboo brown frame boasting a nicely distressed appearance. The back is made of two simple planks and it is wired, ready to be hung to a wall. With its clean lines and dark color, this French faux bamboo mirror circa 1920 will enliven any wall beautifully, perhaps placed in a entryway, particularly in a mountain cabin or country home!
