## SMALL 1880S ENGLISH OAK CONVEX BULLSEYE GIRANDOLE MIRROR WITH NATURAL FINISH

**\$2,750**

An English oak girandole bullseye convex mirror from the late 19th century with petite spheres and natural finish. Born in England during the last quarter of the 19th century, this bullseye mirror features a convex plate reflecting and distorting images beautifully, surrounded by an oak frame rhythmically adorned with petite spheres. With its small proportions and natural finish, this English convex mirror circa 1880 will bring a touch of tradition to any home, perhaps hung above a side table, chest-of-drawers or demilune.
