SMALL FRENCH 1920S SOFT GREEN PAINTED IRON GARDEN SIDE TABLE WITH TRIPOD BASE

\$450

A small French iron garden pedestal side table from the early 20th century, with soft green painted finish, floral inspired top and tripod base on hoof feet. Created in France during the vibrant Roaring Twenties in the first quarter of the 20th century, this charming garden table features a pierced floral-themed top sitting above a slender pedestal. Painted in a subtle, soft green color with nicely distressed appearance, the table is resting on an eye-catching tripod base made of three scrolling feet with stylized griffon heads and hoof feet. With its elegant scrolling lines and lovely color, this small French iron side table circa 1920 will make for a great decorative addition to any home, particularly placed in a garden or entry way!
