SPANISH WOVEN LEATHER TOP STOOL WITH TRESTLE BASE AND PIERCED MOTIFS

\$975

A Spanish wooden stool from the 20th century featuring a rectangular woven leather top with brass nailheads on the skirt. The trestle base supporting it presents lyre-shaped sides with charming pierced clover motifs and a cross stretcher. Light and easily movable, this Spanish wooden stool from the 20th century, with its warm patina enhanced by the woven leather top along with the lovely pierced motif, would add a rustic charm to any traditional home.
