TWO ENGLISH GEORGIAN PERIOD WALNUT BENCHES WITH TURNED LEGS AND CROSS STRETCHER

Two English Georgian period walnut benches from the early 19th century, with turned legs and cross stretcher. They are priced and sold individually. Born in England during the early years of the 19th century, each of these two walnut benches features a rectangular seat, resting above a trestle base made of two splendid turned legs connected to one another through a plain cross stretcher. Showcasing a lovely weathered patina, these English Georgian walnut benches circa 1800 will bring a touch of authenticity to any home, particularly placed in a living room, foyer or breakfast area. The benches are \$4,200 each.
